

Businesses Seeking Financing

Perfect prospects for any business funding offer

Are you searching for businesses that are in-market for loans and funding? According to Entrepreneur.com, 82% of businesses fail due to cash flow problems. This has only been exacerbated by the recent COVID-19 pandemic which has put US companies under even more stress. If you're looking to market to businesses in need of financing, LBDigital can help you with businesses looking for funding for equipment financing, working capital, small business funding and more.
